

Main Street Community Center – Get to Know the Board of Directors

Our community is blessed by the mission and efforts of the Main Street Community Center. In addition to the awesome staff working at the Center, we have a diverse, hard-working Board of Directors.

Gina McNabney shares that although she has volunteered with a variety of organizations, she has found her time at the Center to be some of the most rewarding! She believes the Center serves an important purpose in our community. Interacting with the people who visit and use the services reminds her of this repeatedly.

Gina works as an Assistant State's Attorney for the Madison County State's Attorney's Office. As such, she prosecutes criminal cases. Before moving to Madison County, she did the same work in three different states.

She loves visiting national parks with her family. Gina feels our country has so many beautiful natural wonders and her family learns something new every visit. She enjoys playing tennis and reading.

Other volunteer organizations she has been involved in are: PTO at her children's schools, Project 612, and at her church. She is also a member of the Madison County Child Abduction Response Team and has trained with the Community Emergency Response Team.
