

Main Street Community Center – Get to Know the Board of Directors

Our community is blessed by the mission and efforts of the Main Street Community Center. In addition to the awesome staff working at the Center, we have a diverse, hard-working Board of Directors.

Greg Mefford has been involved at the Center since 2014 when he became a Board member for the first time. He enjoys working on the board of the MSCC as it provides a direct way to connect the Edwardsville community and make it a better place.

Greg currently works as the International Sales Director for Luxco, Inc, a leading producer, importer and marketer of beverage alcohol products. Founded in St. Louis in 1958, it is owned and operated by the Lux family. Prior to joining Luxco, Greg was a founding partner of Eudora

Global Holding Company, responsible for managing its International consulting companies in India and China. Before his work at Eudora Global, Greg spent 14 years with Ernest & Julio Gallo Winery, including 10 years based in Europe.

When not traveling the world for work, Greg enjoys playing in a band (Deaf Mefford) to raise funds for cancer research (Siteman Cancer Center), racing go karts and attending Blues Hockey and Cardinal baseball games.
