Grant's Farm is a popular landmark formerly owned by Ulysses S Grant, and is now owned by the Busch family. Explore the history while touring this expansive property that is home to more than 900 animals including the famous Anheuser Busch Clydsdales.

Find out what it takes for a Clydesdale to make the hitch and become a *Budweiser* Clydesdale. Tour the stables and get an inside look into Clydesdale operations, including the training and daily maintenance of these iconic horses. Bring your camera – you'll get to meet and interact with retired hitch geldings!

Take a break from the farm and relax in the old-world surroundings of the Bauernhof courtyard and enjoy a lunch from the Brat Haus. Make your way over to the hospitality room and taste complimentary samples of Anheuser-Busch products.

Complete the day with a stop at Ted Drewe's Frozen Custard. Try the frozen treat that has been a St. Louis tradition for over 80 years.

**PLEASE NOTE:** If registration and payment received prior to the sign-up date, by mail or walk-in, it will not be documented until end of day on the first sign up day. Walk-in registrations will be given priority on the first day of registration.
