The award-winning museum inside the historic Federal Reserve Bank of St. Louis will immerse you in a one-of-a-kind experience that explains the economy, and your role in it, in a fun hands-on way. Journey through nearly 100 exhibits that are brought to life through interactive displays, games, sculptures and videos.

Next, a tour of the beautiful, newly renovated, Old Courthouse in downtown St. Louis. Once used as a federal and state courthouse, the building now serves as a complete time capsule for the city. Over the decades it was the scene of many influential rallies, speeches and important trials such as the Dredd Scott case. Discover the history of the courthouse, visit the restored courtrooms and learn more about our 19th century judicial system.

Complete the trip with lunch at Bailey's Range. Part of the Baileys' family of restaurants, Range crafts specialty burgers made with 100% grass fed, grain-finished American range beef and bakes their unique beer buns in house. Finish with ice cream made from scratch, with no artificial ingredients. Bailey's offer seasonal flavors, vegan ice cream, house made shakes and boozy ice cream.

**PLEASE NOTE:** If registration and payment received prior to the sign-up date, by mail or walk-in, it will not be documented until end of day on the first sign up day. Walk-in registrations will be given priority on the first day of registration.
