

## Main Street Community Center – Get to Know the Board of Directors

Our community is blessed by the mission and efforts of the Main Street Community Center. In addition to the awesome staff working at the Center, we have a diverse, hard-working Board of Directors.

**Julie Smith** believes that enhancing our community with quality services is a responsibility we all must take part in. She's had the pleasure of doing this first through her career in child care and education. After that she was able to serve the Ed-Glen community during her years as a member of Junior Service Club. Now she looks forward to enhancing the lives of our seniors.

Julie is currently a homemaker and community volunteer. She has been an Administrative Director for a large child development center, an Elementary Teacher for 1st and 2nd grades, a Latch Key Program Director, and a Community College Instructor.

Past volunteer activities include; Junior Service Club, JSC President 2013-2014, Glen Carbon Community Events Committee, Glen Carbon Homecoming Committee Chair, Rotary Member, United Way Volunteer, Red Cross Board Member, Chamber of Commerce Volunteer, National Association for the Education of Young Children (NAEYC), NAEYC Validator, numerous other Education Organizations.

Julie states, "I hope to be a supportive, active board member and I will strive to set the stage for a successful organization."
