DAY 1: BRANSON

After checking into our hotel and having dinner, we see the Grand Jubilee Show. From the first downbeat, you will love the tight harmonies and dynamic performance of Branson's Best Quartet, New South. You'll hear Top 40, Country & Gospel classics and Rock & Roll hits. This show will stay with you long after your vacation is over. It's Branson's most entertaining show...ask anybody! (D)

DAY 2: BRANSON

After breakfast this morning, our local guide will join us and will tell us everything you want to know about Branson and the area and probably a lot more. Find out what a Baldknobber really was. Find out what happened in Branson in 1959 that birthed the 4 cornerstone businesses of Branson that are still in business today. Hear interesting stories about many of the entertainers, see beautiful scenery and learn all about the College of the Ozarks. You will be amazed at what you learn. This afternoon, we see the Daniel O'Donnell show. Daniel is the most successful easy-listening/country entertainer in Great Britain and Ireland. Enjoy a variety of musical styles, including traditional Irish ballads, American Country Music, Rock & Roll, Gospel and a few holiday favorites—all with an Irish twist. After dinner this evening, we see Presleys' Country Jubilee where you will experience the original music and comedy

stage show on Branson's 76 Country Blvd. The first half of the show is the regular performance of Presley's nationally acclaimed music and comedy stage show. Then, when the second half begins, the stage is transformed to present the Christmas portion of the show. (B,L,D)

DAY 3: RETURN HOME

After some time this morning for shopping, we return home, taking with us memories of some of the best Branson has to offer. (B)
