About MSCC

Main Street Community Center provides a variety of programs and services including home-delivered meals, transportation, health screenings, information and assistance, recreational opportunities, and so much more. Since 1975, our facility has supported older adults (50+) in maintaining health, social engagement and independence.

As a 501(c)3 charitable organization, MSCC is supported through the generosity of funds received through grants, donations, and fundraising events. We could not operate without the generous support from our volunteers and local community organizations and businesses who support our programming by partnering and providing sponsorships.
