A Premier Bucket List Event!

The Rose Parade travels 5 ½ miles down Colorado Blvd. and features four types of entries: floral-decorated floats entered by a participating corporation, non-profit organization or municipality, equestrian units, bands, and Tournament Entries. Rose Parade participants have long histories with the Tournament of Roses and keep the traditions alive.

The earliest Tournament of Roses welcomed 3,000 spectators to its first parade filled with beautiful, horse-drawn carriages covered in flowers. More than a century later, the parade floats are a marvel of state of the art technology, all tucked away beneath flowers and other all-natural materials.
