On Wednesdays In October

— WE WEAR PINK —

October is Breast Cancer Awareness Month, a time dedicated to raising awareness, supporting survivors, honoring those lost, and promoting early detection. Wearing pink on Wednesdays throughout October is a simple yet powerful way to show solidarity. The color pink has become a universal symbol of hope, strength, and unity in the fight against breast cancer.

— THE POWER OF PINK —

Every pink ribbon, shirt, or accessory worn is a reminder that no one fights alone. Together, these small acts create a wave of awareness and hope that can inspire change and save lives.

This October, let pink be more than a color—let it be a statement of strength, unity, and compassion.
